Services Vocabulary from P2 Thesaurus

Accounting
        BT Business
        NT Auditing
        NT Cost accounting
        NT Total cost accounting
Air monitoring
Assessment
        NT Environmental impact assessment
Auditing
        BT Accounting
        NT Energy auditing
        NT Environmental audit
Awards

Bank loans
        UF Loans
Best management practices
        UF BMP
Biological assay
        NT Water quality bioassay

Cartography
        BT Maps
        BT Surveying
        RT Geological mapping
Cataloging
        UF Abstracting and indexing
Chemical recovery
Chemical tracking
Chemical treatment
Civil engineering
Cleaner production
Clearinghouses
        BT Information services
Communication
Community development
Community leadership
Community organization
Compliance
        UF Environmental compliance
Computer modeling
Continuous emission monitoring
        BT Monitoring
        RT Environmental monitoring
Contracts
Consultants
Consumer education
        BT Education
Curricula
Curriculum planning
        RT Lectures
        RT Workshops

Database management
        BT Electronic data processing
Database searching
        BT Information retrieval
        NT Online bibliographic services
Databases
        UF Computer databases
        UF Electronic databases

Economic analysis
        RT Cost accounting
        RT Total cost accounting
Economic assistance
Economic development
Economic development projects
Economic surveys
        USE Surveys
Education
        UF Training
Emergency management
        UF Disaster planning
        UF Emergency planning
Energy auditing
        BT Auditing
Energy development
Engineering
Environmental research
        USE Environmental analysis
Environmental assessment
        USE Environmental impact analysis
Environmental auditing
        UF Environmental accounting
        RT Total cost accounting
Environmental compliance
        USE Compliance
Environmental engineering
        BT Engineering
Environmental impact analysis
        UF Environmental assessment
        UF Environmental impact statements
Environmental management
        NT ISO 14000
Environmental monitoring
        NT Continuous monitoring
Environmental permits
        USE Permits
Environmental policy
        UF Environmental law
Environmental research
        USE Environmental analysis

Environmental technology
        RT Alternative technology
Evaluation
        RT Assessment

Facility inspection
    USE Inspection
Feasibility studies

Geographic information systems
    UF GIS
Geological mapping
    BT Cartography
Government information
Grants in aid
    UF Research grants

Industrial Design
    UF Design, Industrial
Industrial engineering
    BT Engineering
Industrial research
Industrial safety
    USE Occupational safety and health
Incentives
    NT Economic incentives
Information
Information storage and retrieval
Inspection
    UF Facility inspection
Interlibrary loans
Intern programs
Internet (Computer network)

Laboratories
Libraries
Licenses
Loans
    USE Bank loans
Local finance

Maintenance
    UF Preventive maintenance
Marketing
Mass media
    BT Communications
Materials Exchange
Materials handling
Materials testing

Occupational safety and health
    UF Industrial safety

Planning
    NT Regional planning
    NT Strategic planning
Process modification
Programmed instruction
Public relations
    RT Advertising

Quality control

Research
Research grants
    USE Grants in aid
Risk assessment
    BT Assessment
    NT Environmental impact assessment
Risk management
Rural development

Surveys
    UF Economic surveys

Technical assistance
Technical reports
Technical writing
Technology assessment
    BT Assessment
Technology transfer
Testing laboratories
Total cost accounting
Total quality management
    NT Benchmarking (Management)
    UF TQM

Workshops
    RT Curriculum planning
    RT Lectures
Writing
    NT Business writing
    NT Technical writing
